COL. KIP,

Record, 2:30. Standard, 14,405.

He is the only Stallion except Gilling, standing

for service in Addison County with a record

in the 2:30 list. He won his record in a

gang of five horses at Belmont Park, Phila-

delphia, July 15, 1890, for a purse of \$500, which

he won in a four heat race, although he was too

heavy, but his natural paces and speed com-

bined outlasted them all and took him to the

front. The next day but one he started in

another race at Belmont Park for a purse of

\$500, in which he won second money in a

gang of eight horses, driving the winner out

in 2:30 and took a heat from him and he was

close to the winner's wheel in this race in the

last heat of a gang of eight horses and all of

them fast. Although he was too heavy and

not in first-class trotting condition, he

showed himself game and a trotter in these

paces. Col. Kip was sired by Aristos, record

2:27 1/2, and his dam Laura, formerly Lady

Champion, in turn has trotted in 2:32. For

further pedigree see in another ad. in this

paper. He is a beautiful solid brown in color;

he stands 15 1/2 hands high; weight, about 1100

pounds, and is a sure foot getter; his service

is first-class. He will be found at the stable

of J. W. FICK, West Cornwall, Vt., for

the season of 1891 at the very low sum of \$25

to insure in foal. Up to April 15th he had 27

mares brooded and his brood keeps filling.

Anyone finding any misrepresentation in

this ad., otherwise than through some tech-

nicality, can have the service of Col. Kip free

of charge.
